BFLB904ADW

9 kg Autodose Wifi Connected Washing Machine with Steam

Autodose System - With AutoDose there's no need to determine the perfect detergent amount for each wash any more! It's done automatically for you. Giving peace of mind, and reducing the 'hassle' in laundry.

SteamCure™ +Hygiene+ - 99.9% allergen* free with the hygienic power of steam. SteamCure's Hygiene+ steam cycle provides improved levels of cleanliness by heating the water up to 60 °C, reducing common household allergens* by up to 99.9% (approved by Allergy UK) and removing 99.9% virus and bacteria (Airmid Certification).

* House Dust Mite Allergen, Cat Allergen, Dog Allergen, Fungi Allergen

Wifi Connected/Download Programs - Easily control your washing machine from your smartphone with our HomeWhiz technology Wizard. You can also download new programmes, set them as your favourite and remotely control and monitor your washing machine, all without needing to be in the room.

Recycled Tub - In our drive to help the planet, we chose to use recycled plastic bottles for the tubs of our Beko RecycledTub™ series of washing machines and washer dryers. In 2019 and 2020 alone, a total of 398 tons* of recycled plastics found a new life in these products.

*Parent company production in 2019 & 2020
