

36 INCH COUNTER DEPTH FRENCH DOOR REFRIGERATOR

BFFD3622SS

Fridge Features

- EverFresh+
- Neofrost dual cooling technology
- ProSmart Inverter Compressor
- ENERGY STAR® certified
- Zone temperature adjustability
- Active fresh blue light
- IonGuard
- Sabbath mode
- XL Pantry Drawer
- Height adjustable cantilever shelves
- Gallon Bins
- Interior filtered water dispenser
- Inner digital display
- Interior theatre lighting with LED lights
- Professional design
- Counter Depth Design
- Finger print free stainless steel

Freezer Features

- Turbo ice maker
- Ice bin with XL scoop
- XL Freezer Drawer
- Freezer slider bin

Dimensions

H x W X D: 69 3/4" x 35 3/4" x 26 13/16"
Depth is with door / without handles

MODEL CODE	BFFD3622SS
Cooling system	Duo Cycle Frost Free Cooling - NeoFrost
Control system	Electronic Control
CAPACITIES	
Total net volume, cu. ft.	19.86
Fresh food net volume, cu. ft.	13.3
Freezer net volume, cu. ft.	6.56
FRIDGE FEATURES	
Active Fresh Blue Light	Yes
EverFresh	Yes
IonGuard	Yes
Interior filtered water dispenser	Yes
Filtered ice & water dispenser through door	No
Electronic control display type	Digital display on front top trim

Shelves	4 Safety Glass
Crispers	2
Door racks	6
Wine rack	NA
Bottle gripper	NA
Compressor	Variable Speed VCC
Fan ventilation	Yes
FREEZER FEATURES	
Auto defrost	Yes
Number of freezer drawers	1
Automatic ice maker	Yes
Ice cube tray	No
TECHNICAL INFORMATION	
Supply voltage, V/Hz	120/60
Rated Current, A	2.7
Noise level, dBA	44
DIMENSIONS	
HxWxD, in	69 3/4" x 35 3/4" x 26 13/16"
Product weight, lbs.	315
HxWxD, cm	177.1 x 90.8 x 68
Product weight, kg	143
PERFORMANCE	
Energy Star qualified	Yes
Climatic class	T
Annual energy consumption, kwh/year	566
Cooling gas	R134a

36 INCH COUNTER DEPTH FRENCH DOOR REFRIGERATOR

BFFD3622SS

Outstanding Features

EverFresh+

Whether it's a healthy option for hungry teens or the key ingredient to a favorite recipe, you have a plan for every stalk, head or bunch that goes into your refrigerator. With meticulous temperature management and precise humidity control, our EverFresh+ technology keeps fresh food fresher three times longer than the average refrigerator – for up to 30 days! *

* Tested by SGS (compared to standard crisper for broccoli and lettuce)

NeoFrost Dual Cooling Technology

Between unloading the grocery bags and getting ready to prepare a meal, you probably don't spend a lot of time thinking about the food in your refrigerator or freezer. And that's okay, because here at Beko, we do. That's why we've developed our NeoFrost dual cooling technology to ensure your food stays fresher, longer.

Unlike conventional single cooling systems, NeoFrost cools twice as fast with two separate cooling systems that maintain optimal humidity in the fridge, while keeping the freezer dry and frost-free.

ProSmart Inverter Compressor

The kitchen is a gathering place for your family. It's where plans are made and stories are shared. We've engineered the ProSmart inverter compressor to make sure our refrigerator never interrupts the conversation. As a matter of fact, the ProSmart compressor runs four times quieter than other refrigerator compressors. And the energy-efficient ProSmart compressor also meticulously maintains a consistent temperature to keep food fresher, longer.

Turbo Ice Maker

When you first come inside on a hot day, pour drinks for the crew after practice, or entertain friends and family, you count on your refrigerator to have plenty of ice on hand. That's why the Beko Turbo Ice Maker can generate a cool 11 pounds of ice in just 24 hours – that's an industry-leading ice making capacity with a single ice maker. So even if your household goes through lots of ice, the Turbo Ice Maker is ready.

Flexible Storage Capacity

From party platters and 2-liter soda bottles to gourmet cheeses and a lone, leftover cupcake, your refrigerator keeps a wide variety of items visible and accessible. With height-adjustable cantilever shelves, sliding storage, gallon bins and extra-large capacity pantry and freezer drawers, Beko refrigerators are more than up to the task.
