

## Energy Efficiency Class

E

- Reversible Door: adjustable door direction
- Safety Glass: high-durability glass shelves that carry up to 25 kg

## Key Features

Product Type	Larder	Fitting Type	Freestanding
Total Fresh Food & Chill Compartment Volume (l)	88 L	Height	85 cm
Width	48 cm	Depth	45 cm
Energy Efficiency Class	A++	Energy Efficiency Class	E
Cooling System Type	Static	Colour	White
Noise Emission Class	C	Product Series	b100

## Gross &amp; Net Volume

Total Gross Volume	90 L	Total Volume (l)	88 L
Total Fresh Food & Chill Compartment Volume (l)	88 L		

## Fridge Features

### Packaged Height

88.5 cm

### Packaged Width

54 cm

### Packaged Depth

50 cm

### Packaged Weight

23 kg

## Reversible Door

### Adjustable door direction to fit your kitchen layout

Some kitchen layouts require that refrigerator doors open in one direction and not the other. Reversible Door allows door hinges to be placed on both the left and the right of the unit, so decide which way your fridge doors open. Plus, you can double your cooling capacity by placing two fridges side by side and reversing the doors of one.

## Safety Glass

### High-durability glass shelves

Ease your worries of putting that huge and heavy pot in the fridge with Safety Glass. Safety Glass shelves are made up of tempered glass and can carry loads of up to 25 kg. They resist cracks and scratches much better than un-treated glass, so you can store heavy items without a care.
